About Warragul Cycling Club Inc

Warragul Cycling Club Inc is an inclusive Club that is about more than just the bike! Boasting a diverse membership of Road, Track and Recreation riders from 12 to 70+ years of age, we welcome all bike riders and their families to enjoy our great Club.

About The Amy Gillett Foundation

The Amy Gillett Foundation is a charity with one purpose – reducing the incidence of death and injury of bike riders.

The Foundation was born out of tragedy, the death of Amy Gillett, who was hit by an out of control motorist whilst cycling with her National Team mates in Germany. Since our inception we have been a catalyst for change, focused on what should be, rather than what is. That's why we have set ambitious aims and outcomes.
